

**OFFICE OF THE SUPERINTENDENT OF SCHOOLS  
DARIEN PUBLIC SCHOOLS  
Darien, Connecticut**

---

**DATE:** April 1, 2008

**TO:** Board of Education Stadium Lights Committee

**FROM:** Donald P. Fiftal, Superintendent

**RE:** Anticipated Event Supervision for non-Football Night Games

---

Per your request, I am providing estimates of supervisory coverage for non-football night games held at the Stadium Field. The staffing is shown at two levels: Basic (200 or fewer fans) and Enhanced (200-500 fans). Our expectation is that regular season games for soccer (boys or girls) or field hockey would draw a fan base at the basic level; while for lacrosse (boys or girls) the fan base could be at the enhanced level.
