Notes:

- Heating Charges: Charges will apply if heating above the unoccupied temperature of 55 degrees F is required (typically would apply on evenings and weekends between October and April). Rates will be adjusted if commodity costs change.
- AC Charges: Charges will apply if any air conditioning below the unoccupied temperature is required (typically would apply evenings and weekends between May and September) Rates will be adjusted if commodity costs increase/decrease.
- Change in Rates: Both heating and air conditioning rates will be adjusted in accordance with the district's purchase price for fuel oil and electricity
- Minimum Rental: 1 hour on school days, 3 hours on non-school days
- Town of Darien Waiver: The hourly rental, heat and air conditioning rates are waived for Town of Darien use of school facilities (excluding summer camps).

To be considered a Local Non-Profit or Local Youth Sports group, the following criteria apply:

- The group must have 501-C-3 certification
- The group must be based in Darien
- 66% or more of the participants must be Darien residents
