ATHLETIC HANDBOOK
2011 - 2012***

**Mr. John J. Keleher
Athletic Director**

**Mr. Dan Haron
Principal**

WARNING

The potential for injury is inherent in all interscholastic sports. Even with the best coaching, the most advanced protective equipment, and a strict observance of rules, injuries can happen. Although serious injuries are not common in supervised school athletic programs, it is impossible to eliminate the risk. Parents and students must be willing to accept the risks associated with interscholastic sports participation.

EQUAL EDUCATION OPPORTUNITY

It is the policy of the Darien Board of Education that no person shall, on the basis of race, creed, color, religion, sex, national origin, age or handicap, be excluded from participation in or denied the benefits of any of its educational programs or activities.

If you have a question regarding the DHS Athletic Program, please call John Keleher, Director of Athletics, (203) 655-3981 ext. 2263 or 2244 or visit our website below.

INTRODUCTION

This booklet has been written to enhance communication between parents, coaches, and school administrators. Please familiarize yourselves with the rules and regulations that govern participation in our program. If you have any questions, please direct them to John Keleher, Director of Physical Education and Athletics, 655-3981, extension 2263 or 2244.

Parents are asked to demonstrate their support by attending as many athletic contests as possible. Freshman and junior varsity players really appreciate seeing their parents at their games. Complete schedules are available at the start of every season.

By design, athletic participation is loaded with successes and failures, setbacks and triumphs. Parents can make a big difference in how these situations are handled. Parents who encourage their son or daughter to go to their coaches for clarification, understanding and counsel are contributing to their child's normal growth, development, and maturity.

TO THE ATHLETES

The Darien High School Athletic Department is very pleased you have chosen to become a member of one of our athletic teams. Interscholastic athletics provide many opportunities for you to grow and develop as a young adult. We hope the friendships you make, the challenges you face, and the excitement you generate will make this season a memorable experience.

As an athlete, your actions on and off the field reflect on the entire athletic program. Your behavior helps to shape the perceptions of those who make decisions that will impact the future of DHS Athletics. The Board of Education, Community, and School Administration cherish the values associated with competitive athletics and fund our program accordingly. We expect our athletes to conduct themselves in a manner consistent with the department's philosophy.

Blue Wave Athletic Teams take tremendous pride in their preparation and performance. Our athletes work long and hard, compete intensely, and treat opposing teams with respect. They have represented our school and community with style and class. We are counting on you to continue this successful tradition.

We encourage you to set high goals and commit yourself to their attainment. The rewards will not come quickly or easily, but when you do succeed, the sense of accomplishment will be well worth the effort.

PHILOSOPHY

Competitive athletics play an integral part in the educational program at Darien High School. The challenges associated with competition create learning experiences for all athletes. A player's drive, determination, confidence, mental toughness, and emotional control are tested daily. The educational value of athletics lies in how the athlete copes with these challenges. Coaches stress commitment, dedication, and hard work and work closely with the players as they face these obstacles. Athletes are taught a formula that can be applied to real life situations, they learn to plan, prepare, perform, evaluate, and try, try again.

Darien High School fields fifty-eight athletic teams in twenty different sports. The program includes thirty varsity and twenty-eight sub-varsity teams that provide opportunities for students to participate at a level commensurate with their abilities.

All students, including seniors, compete equally for playing time. Pre-season practices and scrimmages provide an opportunity for players to demonstrate what they can do. Coaches select the best players and field their most competitive starting lineups. Darien teams play to win, but coaches do try to balance what is good for the team and what is good for the individual player.

FORMS REQUIRED FOR PARTICIPATION IN ATHLETICS

Three completed forms are required for participation in athletics. These forms are:

- 1) DHS Coach's Athletic Emergency Form (needed for every season)
- 2) State of Connecticut Dept. of Ed. Health Assessment Record (3 pages) HAR-3, Rev. 4/2010
- 3) DHS Extra-Curricular & Athletic Eligibility Participation Contract – to be signed electronically via Paydeck at time of payment for extra-curricular activities.

These forms can be downloaded through a link on our athletic website or picked up in our athletic department. For more details related to participation requirements please see page 17.

AWARDS

Darien High School has established an Awards System that recognizes the achievements of athletes at all levels.

Varsity/JV Letters **Athletes earn Varsity/JV letters by meeting the criteria listed below.**

Freshman Numerals **Athletes earn their freshman numerals by participating on a DHS athletic team in their freshman year.**

All athletes receive an award certificate of participation.

Cheerleading

Freshman earn numerals. JV letter is awarded to anyone who has been on the squad less than 4 seasons. Varsity letter awarded to anyone completing four or more seasons with squad/or senior members.

Cross Country

Players who earn 10 points during the season qualify for a Varsity letter. Points are awarded as follows: the first Darien runner to finish earns 7 points; the second runner earns 6 points, etc. Individuals completing the season with fewer than 10 points earn a JV letter. If you qualify, you must compete in championships meets: FCIAC, Class, Opens and New England.

Field Hockey

Players who participate in $\frac{3}{4}$ of the scheduled varsity games qualify for a Varsity letter; anyone who completes the season earns a JV letter.

Football

Players who participate in $\frac{1}{2}$ of the quarters played during a season qualify for a Varsity letter; anyone completing the season earns a JV letter.

Soccer

Players who participate in $\frac{3}{4}$ of the scheduled varsity games qualify for a Varsity letter; anyone who completes the season earns a JV letter.

Girls Swimming

Swimmers must score 16 points or meet the Class "S" qualifying standard in one individual event to qualify for a Varsity letter while divers must score 8 points or meet the Class "S" standard to qualify. Swimmers/divers who complete the season earn a JV letter.

Girls Volleyball

Students who play in $\frac{1}{2}$ of the scheduled games qualify for a Varsity letter; anyone completing the season earns a JV letter.

Basketball

Players who participate in $\frac{1}{3}$ of the total number of quarters played in the season qualify for a varsity letter; anyone completing the season earns a JV letter.

Gymnastics

Players who participate in $\frac{3}{4}$ of the scheduled meets qualify for a Varsity letter; anyone completing the season earns a JV letter.

Ice Hockey

Players who participate in $\frac{1}{3}$ of the total number of periods played in the season qualify for a Varsity letter; anyone completing the season earns a JV letter.

Skiing

Skiers who finish in the top six in half of the meets or start in the top ten in 80% of the meets qualify for a Varsity letter; anyone completing the season earns a JV letter.

Wrestling

Wrestlers earning 3 varsity wins (not including forfeits) in dual meets during the season qualify for a Varsity letter; anyone completing the season earns a JV letter.

Indoor Track

Players must qualify and compete in an individual event or be chosen for a relay in FCIAC Eastern Division, FCIAC Championships and Class S State Meet. If a player qualifies, you must compete in FCIAC Opens and New England Meets.

Squash

Players who participate in $\frac{2}{3}$ of the scheduled varsity matches or score in the county or State Tournaments qualify for a Varsity letter; anyone completing the season earns a JV letter.

Boys Swimming – Swimmers must score 16 points or meet the Class "S" qualifying standard in one individual event to qualify for a Varsity letter. Divers must score 8 points or meet the Class "S" standard to qualify. Swimmers/divers who complete the season earn a JV letter.

Baseball – Players who participate in 1/3 of the scheduled games qualify for a Varsity letter; anyone completing the season earns a JV letter.

Golf – Players who participate in 1/3 of the scheduled games qualify for a Varsity letter; anyone completing the season earns a JV letter.

Lacrosse – Players who participate in ¼ of the total number of quarters played in the season qualify for a Varsity letter; anyone completing the season earns a JV letter.

Track – Players who qualify for and participate in the FCIAC and CIAC state class championship will earn a varsity letter. Athletes must participate in the CIAC state open championships and the New England championships if qualified.

Softball – Players who participate in ½ of the scheduled games qualify for a Varsity letter; anyone completing the season earns a JV letter.

Tennis – Players who participate in 2/3 of the scheduled varsity matches or score in the county *and* State Tournaments qualify for a Varsity letter; anyone completing the season earns a JV letter.

Sailing – Players who participate in ¼ of the total number of Regattas scheduled during the season qualify for a varsity letter; anyone completing the season earns a JV letter.

Boys Volleyball – Students who play in ½ of the scheduled games qualify for a Varsity letter; anyone completing the season earns a JV letter.

FEES

The Board of Education (BOE) has approved a one-time (per school year) participation fee of \$100.00 per student for all extra-curricular activities. This BOE participation fee must be paid online via Paydeck located on the Darien HS website. (<http://darienpaydeck.org/>). Please note this participation fee is in addition to existing sports/club fees. Currently, there are sports fees associated with boys and girls ice hockey, squash, skiing and sailing.

RULES AND REGULATIONS

Specific Expectations

Darien High School athletes are expected to:

1. Comply with all CIAC and school eligibility rules.
2. Attend every practice session. These include scheduled practices during holidays, weekends, and vacation periods.
3. Refrain from any use, involvement with or possession of drugs, alcohol, and anabolic steroids or use any form of tobacco during the season.
4. Conduct themselves in a manner consistent with the principles of good sportsmanship and fair play.
5. Be in school by 10:00 a.m. Students will not be allowed to practice or compete if they are absent from school or report to school after 10:00 a.m.
6. Be responsible for the care and return of all equipment issued to them.
7. Come to school prepared for games and practices. Students are not permitted to go home for uniforms, equipment, etc.
8. Adhere to all additional rules and regulations a coach may require for his/her specific sport.
9. To be eligible to try out and participate, a student cannot be medically excused from Physical Education or on the blue list.
10. Represent the team and school in a positive manner on and off the field.

ATHLETIC TRAINING RULES

Participation in the Darien High School extra-curricular and athletic program is both an honor and a privilege and, as such, carries a responsibility for the student to follow rules and regulations including the following:

- I. **Participation Rules:** Any use, involvement with* or possession of illegal drugs or alcohol, or use of any form of tobacco at any time during the period of participation in an extra-curricular activity or athletic team, on or off campus, will result in appropriate disciplinary action.

* “Involvement with” such substances shall be broadly construed, and shall include, but is not limited to the following situations:

- A. Personal possession or use of such drugs, alcohol or tobacco, at any time at any place; -or-
- B. Being in a motor vehicle when alcohol or drugs are illegally present, regardless of whether the student is the driver or passenger or whether the student is in personal possession of any such alcohol or drugs, -or-
- C. Permitting the illegal consumption of alcohol or use of drugs in one’s home or premises, -or-
- D. Being in a building or on premises or otherwise in the company of others, including but not limited to fellow students, when alcohol or drugs are/have been used or possessed illegally.

The appropriate disciplinary action under these rules is separate from any other discipline that may otherwise be imposed. Disciplinary action under these rules will be determined by consideration of all the facts and circumstances of a particular situation, but shall include as a minimum the following penalties:

For Offenses Involving Drugs and Alcohol:

1. **First offense** after signing an “eligibility and participation contract” for any extra curricular activity or athletic season:

The student will be suspended from membership and participation in all activities related to that extra-curricular or athletic team (including team practice) for fourteen (14) calendar days. The student will also be required to meet with a drug and alcohol counselor prior to re-entry into the activity or team from which he/she was suspended.

Please note that the new CIAC eligibility policy states:

“A student-athlete who has been determined to have used, in or out-of-season, androgenic/anabolic steroids or other performance enhancing substances shall be declared ineligible for all CIAC-controlled activities for one hundred eighty (180) school days on each occurrence. The one hundred eighty (180) school day period of ineligibility commences on the day the CIAC Board of Control makes such determination.”

2. **Second offense** after signing an “eligibility and participation contract” for any extra curricular activity or athletic season:

A. **For Athletics:**

- i – If the second offense occurred within the same season as the first offense: The student is suspended for the rest of the season
- ii – If the second offense occurs in a different season than the first offense: The student will be suspended from participation (including practice) for 28 calendar days.

B. **For other Extra Curricular Activities:**

The student is suspended for 28 days from all extra curricular activities.

In both cases A and B above, the student will be required to meet with a drug and alcohol counselor on a weekly basis prior to re-entry into the sport or activity from which he/she was suspended.

3. **Third offense** after signing an “eligibility and participation contract” for any extra curricular activity or athletic season: The student is suspended from all extra curricular and athletic participation for the remainder of the school year.

For Offenses Involving Tobacco:

All offenses regarding use of tobacco will result in the student being suspended from membership and participation in all activities related to that extra-curricular or athletic team for seven (7) calendar days.

II. **Enforcement Procedures:**

- A. Darien High School students and their parents shall sign an acknowledgement of these rules/contract before participation in any extra-curricular or athletic activity, to verify their understanding of and agreement with the terms of these rules. Parents will be notified if an eligibility and participation rule is violated and of the disciplinary action taken.
- B. Once a student signs an acknowledgement of the eligibility and participation rules, that document remains in force for the remainder of the school year for all extra curricular and athletic activity participation.
- C. A student who signed an acknowledgement of the eligibility and participation contract for an activity that is no longer in session is still considered to be under the umbrella of the schools eligibility and participation rules. As such, if that student violates any of the rules at any point until the end of the year, he/she will be suspended from participation in any activity – starting at the point the administration becomes aware of the violation and lasting for the appropriate duration. The student will also accumulate a “strike” even if he/she is not active in any specific activity at the time of the violation.
- D. The School Administration is responsible for the administration and enforcement of the extra-curricular eligibility and participation contract and their determination under these rules shall be final.
- E. The Director of Athletics is responsible for the administration and enforcement of the athletic eligibility and participation contract and his/her determination under these rules shall be final.
- F. Due to the interdependence of athletic and other extra-curricular violations, collaboration in decision-making and information-sharing will take place between the Athletics Director and the rest of the school administration during any participation contract violation.
- G. Violation of Eligibility and Participation Contract may result in longer suspensions, loss of leadership positions, and ineligibility for awards from the extra-curricular activity or sport team, as determined by the advisor, coach, and/or organizational guidelines.

The safety of students is our primary concern and Darien High School does not wish to penalize students attempting to act responsibly in situations not of their making. Therefore, a student who has not used and is not in possession of any of the above substances will not be considered for extra-curricular or athletic offenses in the following instances:

- a. Immediately leaving the premises where any of the above substances are/have been used or possessed illegally;
- b. Assisting someone who has used or overused any of the above substances by contacting a responsible adult, or by transporting them to a safe location. Any person who cannot be roused should be transported to the emergency room by EMS personnel (**CALL 911**).

III. Suspensions or Expulsions

- A. School Suspensions or Expulsions - student-athletes are not allowed to practice or play for a DHS Athletic Team during any period of suspension or expulsion from school regardless of the reason for the suspension or expulsion.

Athletic Suspension – athletic suspensions for drugs, alcohol or tobacco violations imposed under these rules are above and beyond any other school-initiated action.

School system or student handbook policies and regulations may overlap or supersede policies in this handbook.

CIAC ELIGIBILITY RULES

1. A student cannot at any time represent a school unless he/she is taking at least four units of work or its equivalent. During the school year, a student must pass at least four units of work in the marking period immediately preceding the contest. No unit of work for which the student has already received credit shall be included in those required by this rule.
2. Marking period grades (not semester grades) are used to determine academic eligibility. To be eligible for fall sports, a student must have received credit toward graduation for four units of work which he/she has not previously received credit.
3. Students may not have turned twenty years of age during his or her sport's season.
4. Students cannot change schools without a change of residence.
5. A student has eight (8) consecutive semesters or four (4) consecutive years of eligibility from the date of entry into the ninth grade to be eligible for interscholastic competition. Date of entry is defined as the first date of enrollment as a grade 9 student taking four (4) or more high school subjects.
6. Students may not play or practice with an outside team in the same sport while a member of the school team after the first scheduled game in any season. Exceptions: parent/child tournaments and Caddy Tournaments. Swimming, tennis and gymnastics: a student may practice but not compete with a non-CIAC team during the season.
7. Students may not play under an assumed name on an outside team.
8. Students may not receive personal economic gain for participation in any CIAC sport.
9. Students must be enrolled at a secondary school for at least twelve school weeks immediately preceding the time of participation.
10. Freshmen may compete in the first marking period regardless of grades in 8th grade.

11. Performance Enhancing Drugs Minimum Penalty – A student-athlete who has been determined to have used, in or out-of-season, androgenic/anabolic steroids or other performance enhancing substances shall be declared ineligible for all CIAC-controlled activities for one hundred eighty (180) school days on each occurrence. The one hundred eighty (180) school day period of ineligibility commences on the day the CIAC Board of Control makes such determination.

REQUIREMENTS FOR PARTICIPATION

1. Student athletes participating in an interscholastic sport must, in accordance with CIAC rules and the Darien Board of Education, have an annual sports physical current within 13 months of the beginning of tryouts, practice and competitive play. This sports physical must be documented upon the form entitled **State of Connecticut Dept. of Ed. Health Assessment Record (3 pages) HAR-3, Rev. 4/2010** and kept updated and on file with the school nurse. At no time shall an athlete be allowed to tryout, practice or compete if their sport physical date exceeds 13 months. Even if the form is accepted at the beginning of the season, if during the season it becomes more than 13 months old, the athlete will not be allowed to continue to practice or play until a new sport physical is on file with the school nurse. The sport physical must be documented on the specific form mentioned above.
2. A **DHS Coaches Athletic Emergency Form** – a two page parent permission form to be signed off by the school nurse and held by the coach in the event of an emergency. This form must be submitted prior to each season or participation.
3. A **DHS Extra-Curricular and Athletic Eligibility and Participation Contract** – a two page commitment form to be signed electronically by athlete and parent(s) once per school year via Paydeck during payment of the extra-curricular participation fee.
4. Eligibility for participation in athletics is contingent upon the student athlete fulfilling all athletic blue-list obligations. If the student athlete is on the blue-list they are not allowed to be rostered on any team until their obligation(s) are resolved. Parents/students can check their blue-list status via their Destiny account which is accessed via the DHS school website under Library Catalog (Destiny).
5. Participation in Athletics is a privilege not a right.

SQUAD SELECTION PROCEDURES

We feel strongly that all students benefit from participation in competitive athletics. Unfortunately, there are occasions when it becomes necessary to "cut" students in some sports. The decision to limit team size may be caused by one or more of the following factors:

- Safety (space availability and player/coach ratio)
- Time Limitations (reasonable opportunity for active participation in practice and/or games)
- Budget Limitations (cost of transportation and equipment)

Coaches are sensitive to the impact the cutting process has on candidates who do not make the team. Information regarding tryout procedures, selection criteria, and recall procedures are given to each candidate prior to the tryout period. Tryouts will include at least three (3) practices before cuts are made.

CAPTAIN SELECTION

Each team may use slightly different procedures for captain selections and the timing of selection may vary also.

- a) Some vote at the end of the season
- b) Some vote at the beginning of the season
- c) Some selections are a combination of team vote and coach's input.

Captain selection can be of great joy or great disappointment to athletes and their families. Parents of athletes are encouraged to talk to their children about how both the ups and downs in any life experience can be used in a positive manner for growth.

ATHLETIC BANQUETS

Each team organizes and arranges for its own end of season banquet, ranging from simple to elaborate. These functions should be planned with the idea they are primarily designed to honor the athletic accomplishments of the student athletes and, as such, should be alcohol and smoke-free as possible considering the venue where the banquet is held.

ATHLETICS AND ACADEMICS

Most teams practice at DHS between the hours of 3:00 and 6:00 p.m. There are a few teams, however, who use community facilities and, consequently, must practice when these facilities are available.

Darien games will be played after school, in the evening, or on weekends. Travel to and from games may require some teams to be dismissed early. Students are responsible for work missed or assigned when they miss class. We do our best to minimize the amount of academic time that is lost due to athletics.

Student-athletes must keep in mind that their first priority is their schoolwork. We have found that athletes can maintain a high level of performance on the field and in the classroom if they make effective use of their "unscheduled" time.

JOBS – OUTSIDE SPORTS TEAMS

We strongly discourage "in-season" athletes from working or playing other sports during the high school season. There are only so many hours in a day, and experience indicates that studying and playing a high school sport are more than enough for an adolescent to handle.

SUNDAY PRACTICES

There may be times during the season when a coach must schedule a Sunday practice, but no Sunday practice may begin prior to 12:00 noon. If a player requests permission to miss a Sunday practice for religious reasons, coaches will grant the request without penalty.

HAZING

Hazing is defined as any form or type of physical, verbal, and/or emotional mistreatment, abuse, and/or harassment of a student in connection with a student's participation in or membership on an interscholastic athletic team or in any school-sponsored activities; and/or forcing, coercing or intimidating any student to participate in any illegal or inappropriate activities in connection with the student's participation or membership in the foregoing. Hazing is prohibited whether it occurs on or off school grounds and whether it occurs during, prior to, or after the season or school day.

In addition, students should be aware that hazing can also constitute a violation of Connecticut Criminal Statutes as a form of assault and can make the student liable for arrest and prosecution as well as for civil liability.

Activities resembling hazing should be reported immediately to Mr. Dan Haron (655-3981, extension 2252) or Mr. Keleher (655-3981, extension 2263).

SEX DISCRIMINATION & SEXUAL HARASSMENT

It is the policy of the Darien Board of Education that any form of sex discrimination or sexual harassment is forbidden, whether by students, Board employees or third parties subject to the control of the board. Students, Board employees and third parties are expected to adhere to a standard of conduct that is respectful of the rights of students. Any student or employee who engages in conduct prohibited by the Board's sex discrimination and sexual harassment policy shall be subject to disciplinary action.

Definitions

Sex discrimination occurs when a person, because of his or her sex, is denied participation in or the benefits of any education program receiving federal financial assistance.

Sexual harassment, although not an all-inclusive list, the following are examples of the type of conduct prohibited by the policy against sexual harassment:

1. Statements or other conduct indicating that a student's submission to, or rejection of, sexual overtures or advances will affect the student's grades and/or other academic/athletic progress.
2. Unwelcome attention and/or advances of a sexual nature, including verbal comments, sexual invitations, leering and physical touching.
3. Display of sexually suggestive objects, or use of sexually suggestive or obscene comments, invitations, letters, notes, slurs, jokes, pictures, cartoons, epithets or gestures.

Complaints

Victims of sex discrimination or sexual harassment should report such claims in a timely fashion to the Title IX Coordinators: Mr. John Keleher and/or Ms. Ellen Ryan. They are both located at the Darien High School and can be reached at (203) 655-3981.

SPECTATOR BEHAVIOR

Good sportsmanship is expected of all spectators at any athletic contest involving a Darien High School athletic team. Any spectator using or shouting inappropriate or abusive language will be removed from the activity. When spectators shout profanities or use abusive language, an announcement will be made indicating that continued use will result in a future game or games being closed to the public.

Attendance at athletic contests is a privilege that can be revoked by school administrators or the Athletic Director.

Any spectator committing an act that in any way could affect the safety of players or other spectators will be removed from the facility and may be charged with disorderly conduct. This includes the ice rinks and contests played away from Darien High School. Being a good sport at a high school athletic contest means supporting our teams in a positive manner and respecting opponents and officials by not making negative comments about them or their performance.

CAPTAIN'S PRACTICE

DHS does not in any way sanction, encourage, or condone "Captain's Practice" in any sport. Darien follows all CIAC Seasonal Limitations including when teams may begin practicing. Questions regarding Captain's Practice should be directed to John Keleher, Director of Athletics, 655-3981 extension 2263.

GOOD SPORTSMANSHIP

Good sportsmanship is a quality we all value. Our coaches do their very best to teach and develop sportsmanship while encouraging their players to treat opposing players, coaches, and officials with respect. Competitive athletics can bring out the best and worst in people. We are committed to using the "teachable moments" in sports to help our students learn the most valuable lessons athletics has to offer.

Unsportsmanlike behavior will result in the following disciplinary action: a one-game suspension for a first time offense while subsequent violations will result in the athlete being dropped from the team for the balance of the season. In addition, any athlete ejected from a game for any reason will not be allowed to compete in the next scheduled game or contest.

FCIAC CODES OF CONDUCT

The Athlete

- Will try always to be the best that he/she can be, both physically and mentally, and play hard to win within the contest rules.
- Will accept seriously the responsibilities and privilege of representing his/her school and community, displaying positive public actions at all times.
- Shall respect the judgment of the contest officials, abide by the rules of the contest and display no negative behavior that could incite fans.
- Will treat opponents with respect, and resist the temptation to taunt or “showboat”.
- Shall live up to standards of sportsmanship established by the league, school athletic administration and coach.
- Will resist the temptation to find fault with others, and be equally fair with him/herself, not feeling personally responsible for failure.
- Shall accept the fact that winning a contest, which is everyone’s goal, is not the only way to be a winner. (Knowing that you have done your best makes you a winner regardless of the score)

The Spectator

- Must recognize that attending a high school athletic contest is a privilege to enjoy the contest, not a license to verbally assault officials or coaches.
- Should show respect and courtesy to both players and fans from opposing teams.
- Should make an effort to know and understand the rules of the game.
- Must resist the urge to coach from the sidelines.
- Should enjoy and acknowledge good performance from players from both sides.
- Must respect the decisions of the officials and demonstrate self control and restraint if they make a poor call, recognizing they too, are human.
- Should congratulate players, coaches and fans from both sides following a well played contest.
- Should support without recrimination your players and coaches following a loss.
- Must be guided by the phrase “Cheer for your team, not against your opponent.”

ATHLETIC TRAINING ROOM

The Athletic Training Room is open to current students every day from 2:00 to 4:30 p.m. Services include injury assessment, taping, whirlpool treatments and follow-up care. The Training Room is coordinated by Nick DeMaio, Athletic Trainer, Ellen Ryan, Director of School Health Services and the DHS school nurse.

PHYSICAL EDUCATION FOR ATHLETES

Athletes are required to attend Physical Education/Health Classes and must fulfill their graduation requirements in this area. The instructional content of the P.E./Health Program is not taught in the Interscholastic Athletic Program, and it is our belief that all students, including athletes, can benefit from this experience. The P.E. staff understands the time commitment associated with athletic participation and will work with athletes who are having difficulty managing their time.

ATHLETIC INSURANCE

Darien High School's Interscholastic Sports Insurance Policy is a secondary or "excess" type benefit plan.

All athletic injuries requiring medical attention should be reported to the DHS nurse as soon as the athlete returns to school. The nurse will file an accident report and answer any questions the student or parent might have. Claims must first be submitted to the individual's personal insurance carrier. Once the primary carrier has assigned its benefits, the school's plan will review the claim. This claim must be submitted by the athlete's parents, it is not automatically done by the school system.

The Athletic Insurance will pay only the usual and customary portion of the balance of the medical expenses not provided or reimbursed under the other coverage. This coverage will consider those expenses related to athletic injuries for up to two years from the date of the accident provided medical attention was sought within ninety days. Questions concerning coverage should be directed to the DHS nurse (655-3981).

EMERGENCY PROCEDURES

If an athlete sustains an injury during a practice session and needs to be transported to the hospital, he/she will be taken to the hospital checked on the emergency card. If the athlete is hurt at an away game, he/she will be taken to the nearest hospital. In either case, every effort will be made to contact the parents and to have a responsible adult accompany the injured athletes to the hospital. Injured athletes should get specific instructions from their physician regarding what they can and cannot do. A signed "Return to Activity" form must be filed with the school nurse before an athlete can come back from an athletic injury.

REGULATIONS CONCERNING MANDATORY YEARLY PHYSICALS FOR ATHLETES

1. All student-athletes must have a yearly physical examination to be in compliance with mandatory CIAC rules and Darien Board of Education Policy.
2. No student will be allowed to participate in tryouts, practice sessions, or athletic contests until the mandatory completed physical examination form is on file with the school nurse.
3. Statements of intention to have a physical and/or parents' notes are not acceptable in lieu of a completed physical examination form.
4. The Darien Public Schools will NOT provide physical examinations for student-athletes except in cases of financial need.
5. The sports physical form is available year-round at the Darien High School website, Nurse's office or athletic department.
6. Each coach is responsible for checking that a current physical examination form is on file before allowing a student to participate.
7. Darien Public Schools encourages student athletes to complete a baseline concussion management evaluation online and free of charge. A baseline report could serve as a beneficial tool for the doctor should a student athlete suffer a concussion. The Impact Concussion Management link is accessible from the Darien athletic webpage.

ALL REQUIRED FORMS ARE AVAILABLE ONLINE AT THE DHS WEBSITE, AT THE DHS FRONT DESK, THE ATHLETIC DEPARTMENT OR NURSE'S OFFICE.

TEN COMMANDMENTS FOR PARENTS OF ATHLETIC CHILDREN

1. Make sure your children know that win or lose, scared or heroic, you love them, appreciate their efforts and are not disappointed with them. This will allow them to do their best without fear of failure. Be the person in their life they can look to for constant positive reinforcement.
2. Try your best to be completely honest about your child's athletic capability, competitive attitude, sportsmanship and actual skill level.
3. Be helpful but don't coach them on the way to the rink, pool, or track or on the way back or at breakfast, and so on. It is tough not to, but it is a lot tougher for the child to be inundated with advice, pep talks, and other critical instruction.
4. Teach them to enjoy the thrill of competition, to be "out there trying," to be working to improve their skills and attitudes. Help them to develop the feel for competing, for trying hard, and having fun.
5. Try not to relive your athletic life through your children in a way that creates pressure; you fumbled too, you lost as well as won. You were frightened, you backed off sometimes, and you were not always heroic. Don't pressure them because of your lost pride.
6. Don't compete with the coach. If the coach becomes an authority figure, it will run from enchantment to disenchantment, etc. with your athlete.
7. Don't compare the skill, courage, or attitudes of your child with other members of the team, at least within his/her hearing.
8. Get to know the coach so you can be assured that the philosophy, attitudes, ethics, and knowledge are such that you are happy to have your child under his/her leadership.
9. Always remember that children tend to exaggerate, both when praised and when criticized. Temper your reaction and investigate before overreacting.
10. Make a point of understanding courage and the fact that it is relative. Some of us can climb mountains but are afraid to fight. Some of us will fight, but turn to jelly if a bee approaches. Everyone is frightened in certain areas. Explain that courage is not the absence of fear but a means of doing something in spite of fear or discomfort. The job of the parent of an athletic child is a tough one, and it takes a lot of effort to do it well. It is worth all the effort when you hear your youngster say, "My parents really helped. I was lucky in this."
