

"On behalf of the entire athletic department, and particularly the DHS Athletes, I cannot thank the Blue Wave Boosters enough for their support. They have enthusiastically funded equipment and projects that have benefited every team in the athletic program. Without the Boosters' support, weight room upgrades, the "D" logos for both the stadium and gymnasium, along with many other purchases, would not have been possible. I encourage all Darien residents to join the Blue Wave Boosters and be a part of the support for Blue Wave Athletics."
 John Keleher- DHS Athletic Director

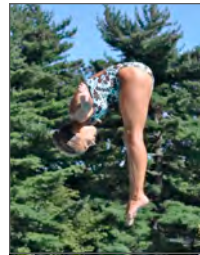

The Blue Wave Booster Club was formed in 2006 to raise funds to provide financial support to the Darien High School Athletic Program, to foster sportsmanship and school spirit among students, parents, teachers and staff, and to develop an interest in and awareness of the athletics at DHS within the town community. The DHS Athletic Department budget supplies essential equipment necessary to manage the athletic programs. However, many teams have additional and customary needs that exceed their respective budgets. The financial support of booster club members through their annual dues helps grant those requests.

Through our members' generosity and the approval of the BOE, we are PROUD to report the Blue Wave Pride Club completed a successful fifth year of fulfilling many needs of the DHS coaches and teams. The BWP Club's contributions have boosted the spirit of the student athletes and coaches, as well as the fans! To better clarify our mission, and to hopefully attract more members, the BWP Club is changing our name to the BLUE WAVE BOOSTER CLUB! We are also proud to announce that we are the sponsor of the website: www.bluewavesports.org. Please visit the website and learn more about the BWBC and your favorite teams.

Andrea McDonald- President
