August 2009

Dear DHS Parents, Alumni, and Blue Wave Supporters,

It gives me great pleasure to report that during 2008-2009, the Blue Wave Pride Club continued to make a significant impact on the Darien High School athletic community. Most notable was the completion of the "Do the D" campaign. Generous contributions from our membership as well as from Kelly Associates Real Estate and the Darien Information and Technology Foundation enabled DHS teams to play at our stadium with a permanent "D" at center field. Similarly, teams and students saw the main gym floor completely refinished to add both wider boundary lines and a "D" to center court. In addition, the generous contributions from last year's members supported these teams:

Baseball	Boys & Girls Swimming & Diving Teams
Cheerleading	Girls & Boys Sailing Teams
Girls Ice Hockey	Softball
Boys & Girls Basketball Teams	Wrestling
Girls & Boys Indoor/Outdoor Track Teams	
New & Updated Gymnasium Championship Banners	
Contribution to the Stadium Field Scorer's Table	

This year, the Darien Sport Shop, a perennial supporter of Blue Wave athletic teams, hosted *Blue Wave Pride Day*. A portion of their Blue Wave Pride Club supporters' sales were donated to our organization. The success of this program has led to a town-wide Blue Wave Pride Day, supported by many of Darien's vendors, to be held in early September.

As we look forward to the continued success of the DHS teams in the 2009-2010 school year, coaches have already begun to contact the Blue Wave Pride Club soliciting our support. The requests range from items that could help give our student athletes a competitive edge over their opponents to those items that would promote Blue Wave Pride among *all* students. Therefore, we look to you, our valued membership, for your continued support of our mission: To support the athletic programs of Darien High School and foster sportsmanship among students at DHS.

The Board of Directors of the Blue Wave Pride Club thanks you for your continued generosity as we look forward to another extraordinary year for Darien High School teams and athletes.

Sincerely,

Rob Tricarico
President
Sincerely,

Sign me up!!

\$100 makes me a member of the Blue Wave Pride Club and entitles me to two (2) season passes to home football and boys basketball games, as well as two *Go Blue Wave* bumper stickers.
