

THE MUSIC OF EAST ASIA

Music for Youth 2009-2010

This year the Music Department of the Darien Public Schools will be engaged in curriculum-based projects that will focus on study of the

Music of East Asia.

Music for Youth is proud to support this program.

Your donations to Music for Youth will provide opportunities for live musical performances in the schools. Music for Youth will support your children's library/media centers throughout the district and provide resources to our classroom teachers. With your help, Music for Youth will help create opportunities that encourage interdisciplinary connections and create meaningful, life-long learning experiences for all our students.

Our ultimate goal is that all of the students in the Darien Public Schools (K-12) experience the music of East Asia in meaningful musical activities that lead toward a deeper understanding of the culture, traditions and people.

Our suggested contribution is \$25 per student, but we are appreciative of any and all donations. Thank you for your support!

Please make your check payable to Darien Music for Youth and either return it to your school in the enclosed envelope or mail it to: Cheri Jennings, 18 Hillside Avenue, Darien, CT 06820
