\$380**

Co-Directors

Mr. Scialo

Mrs. Flaherty-Ludwig

MMS Jump Start will work to maximize the confidence and minimize the stress that students feel as they make the **adjustment** to middle school. A series of comprehensive activities will directly address the concerns of **students and parents** as they make the transition from the elementary classroom to the Middlesex Middle School. Students will learn the “ins” and “outs” of Middlesex. Each student will have introductory classes in our outstanding computer and art curriculums, with a thorough introduction to the media center. They will interact with new 6th grade students and 6th grade faculty teachers. Team building and socializing experiences will be woven into two field trip explorations. To better fit your summer plans, two summer session choices will be offered:

(A) 6/29-7/10 morning or (B) 6/29-7/10 afternoon. Note above times of instruction. All afternoon snacks, field trip transportation and admission costs are included! Schedules of instruction and field trips are available. Please feel free to inquire.
