

Works Consulted Grading Grid

| | | |
|--|--|--|
| Sources are legitimate, correct and possible to locate. | | |
| All required information is given and correct for each source (includes number required). | | |
| Heading (name and title) is correct | | |
| Double space the whole document, do not add an extra space in-between entries. | | |
| Lines are not broken with the enter key, they flow automatically to the line below (natural line break). | | |
| Entries are indented correctly. | | |
| Entries are alphabetized correctly. | | |
| All dates are in the correct format. | | |
| Punctuation (commas, periods, underlining, capitalization) is correct. | | |
| Web Address (URL) is written correctly. (< >, hyperlink and http is taken off, only the root of the address is written) | | |
| Total points | | |

**Please see Mrs. Pruchnik with any questions.
