

Help children get a great start to the school year!

Royle Kids Care Club is kicking off the year with a backpack and school supplies drive for foster care children in Bridgeport.

Please help us by donating a new or like new backpack/shoulder bag or school supplies for our meeting on SEPTEMBER 7, 2011.

Sadly, there are many children who don't start school with any bag or school supplies. We would love to help by providing them with a new (or like new!) backpack or shoulder bag or school supplies to take to Elementary, Middle or High School.

All donations can be dropped off on the Kids Care collection table in the front lobby of Royle starting **August 29, 2011** or you can bring them to the first Kids Care Meeting on September 7th.

We hope your children can join us in supporting all of our efforts like our warm clothing drive, toiletry collection for the homeless, wildlife adoption as well as many other projects throughout the year.

Questions? Ideas? Please contact Sue Hayes at 656-2170 susan.c.hayes@talk21.com or Julie Forsyth at 662-0534 jnforsyth@gmail.com
