

## Citizen Kane Assignment Video Production 1

Using 3 sources from ProQuest or Infotrac, 3 internet review sources and your own experience in viewing the film, write a 1-2 page paper explaining why Citizen Kane is consistently rated the greatest film of all time. Orson Welles had a story to tell. He used cinematic techniques to tell that story. Why did he choose those techniques? What have you learned so far about camera technique, composition, sound that can inform your understanding of the quality of the film? Use proper citations: quote when necessary, cite often and include a Works Cited page. Your opinion counts but it should be based on reliable information

Paper must include: Film Title, Director, Script writer, Cinematographer.

Due Date : **Tuesday, Dec 6** – paper and an electronic copy (floppy disc, p drive, flash drive or email attachment)

All papers will be submitted to Turnitin.com
