**CONDUCT ON SCHOOL BUSES**

While the law requires the school district to furnish transportation, it does not relieve the parents of students from the responsibility of supervision until such time as the child boards the bus in the morning and after the child leaves the bus at the end of the school day.

The Board shall require children to conduct themselves on a bus and at the bus stop in a manner consistent with established standards for classroom behavior.

In cases when students do not conduct themselves properly on a bus or at the bus stop, such instances are to be brought to the attention of the principal by the bus driver. Students are subject to discipline, in accordance with the Darien Board of Education Student Discipline Policy, for acts of misconduct that occur on the school bus or at the bus stop, and may have their riding privileges suspended for acts of misconduct that occur on the school bus or at the bus stop that endanger persons or property or violate a publicized policy of the Darien Board of Education.
