EDWARD L. GENTILE JR., P.E.  
DIRECTOR OF PUBLIC WORKS

DARREN OUSTAFINE, P.E.  
ASSISTANT DIRECTOR OF PUBLIC WORKS

December 2, 2016

To: Area Residents;  
Re: Abbey Road, Intervale Road, Stanley Road, Drainage Project,

Dear Resident:

We write to provide you with a status update on the drainage project in your area and to keep you apprised of road closures and suspended on street parking.

Remaining Work

Drainage structures (pipe, manholes, and catch basins) have been installed throughout the majority of the project. Drainage structures remain to be installed on Intervale Road between intersections of Stanley Road and Forest Road and a single catch basin on the corner of Devon Road and Chester Road. Other related work will also take place throughout the project such as work on interior of structures, and paving or other site restoration.

Traffic Flow Through Neighborhood

On Monday and Tuesday, December 5 & 6 (2016) respectively, the intersection of Stanley Road and Intervale Road will be closed. This means that through traffic will not be possible on: Stanley Road from Intervale Road to Devon Road; Intervale Road from Holmes Court to Forest; and, Forest Road will have ingress/egress from Devon Road only. If you live in one of these areas, you will always have unimpeded access to and from your home. Likewise, emergency vehicles will have access to your home.

On Wednesday, December 7, 2016, work will continue on Intervale Road between intersections of Stanley Road and Forest Road. Through traffic in this section of roadway will be limited or not possible. We expect this work to continue through the month of December. We ask that you refrain from parking on the street on Intervale Road between Forest Road and Stanley Road.

We continue to coordinate with the Darien Board of Education relative to school bus routes, or changes to stops. Holmes School stop at intersection of Intervale Road and Stanley Road should move to Stanley Road and Devon Road for Monday and Tuesday December 5 & 6.

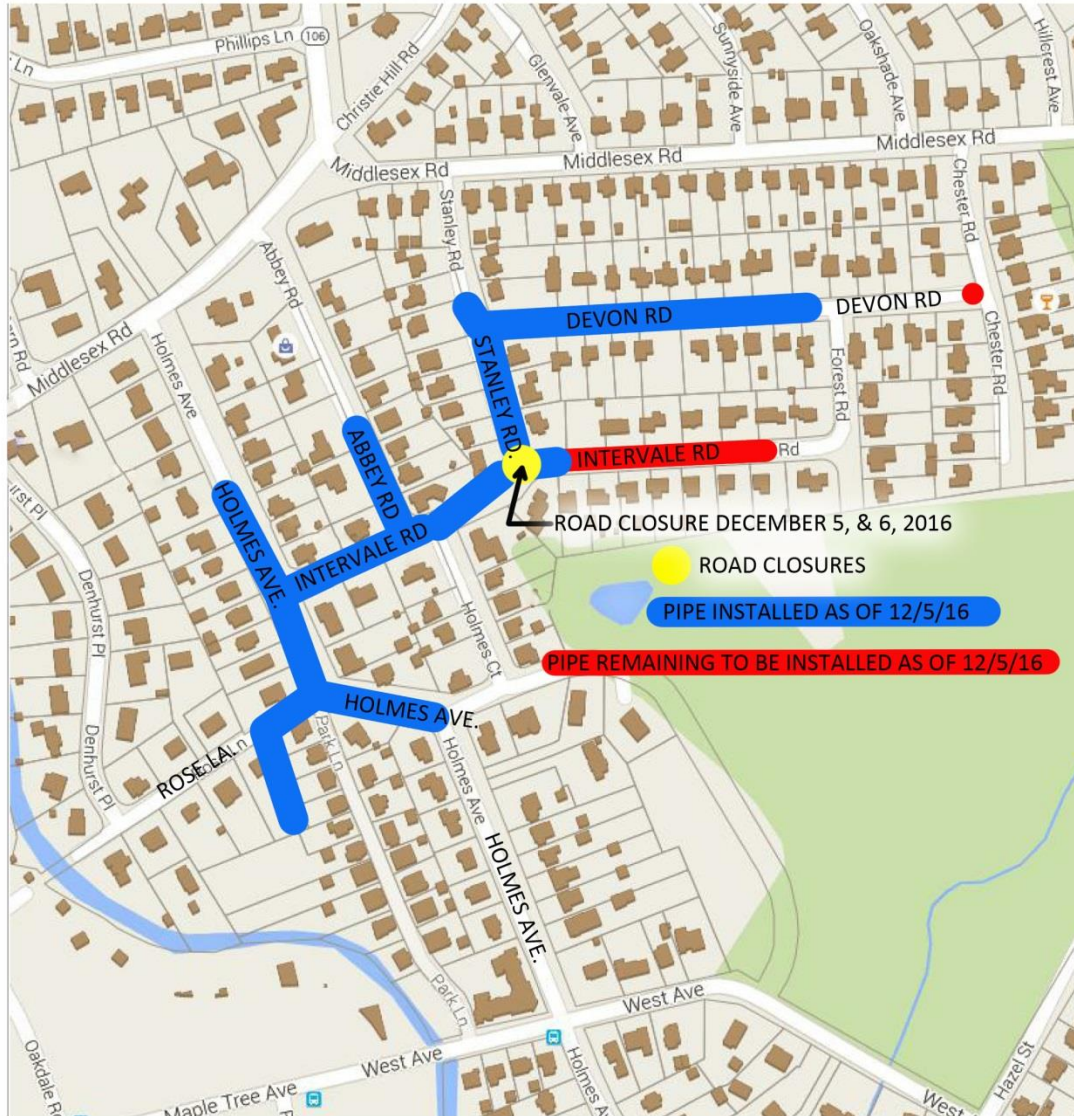

An illustrated on schematic is on the reverse side of this letter. We continue to work with the Darien Board of Education to ensure school bus routes or stops maintained or that you are notified of changes.

I can be reached at 203-656-7365 or via email at [doustafine@darienct.gov](mailto:doustafine@darienct.gov). Please feel free to contact me directly should you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "Darren Oustafine".

Darren Oustafine, P.E.
