

Dear Parents and Students,

It is with great pleasure and enthusiasm that we welcome you to another sensational year at MMS. We are excited to once again work with families who embrace learning, accept new challenges, and collaborate to ensure student success. Our vision is to inspire students to:

- Act with integrity and respect
- Be engaged, curious learners
- Cultivate compassion, resiliency, and independence

With this in mind, we hope to challenge each student to grow academically, socially, and emotionally.

We would like to take this opportunity to introduce you to our new staff members:

- Assistant Principal: Garan Mullin
- Special Education Coordinator: Mary Scalise
- World Language: Sandra Castillo and Karina Pleitez
- Mathematics: Victoria Jukic
- Science: Samanth Franzese
- Orchestra: Austin Scelzo
- Art: Lily Morgan

We know that each has much to offer our students and we look forward to working with them this year.

I am honored to serve as the principal of Middlesex and to be a part of a community of learners that cares for one another and strives for excellence. Information about the school year can be found in both the parent and the student handbooks located on our website. See you at Open House!

Shelley Somers
Principal
