

Dear Second Grader,

My name is Ms. Kinsley and I am going to be your teacher this year! I am so excited to meet you and I can't wait until the first day of school. I have been busy setting up our classroom and getting everything ready for the new school year.

Second Grade is going to be an adventure that will take us to new places! We will read interesting and exciting books and become skilled authors as we write about our most favorite things. We are going to add things up, make things grow and learn together in 2K.

For your first day of school, please bring in a picture of something you did this summer. If you do not have a photo then you can draw a picture. We are going to share these with each other on the 1st day! Also, if you have a favorite book, bring it too! I love to read and would be delighted to read one of your favorite books to the class. See you soon! I can't wait for you to meet our all star class! Enjoy the final days of summer!

Yours Truly,  
Ms. Kinsley
