

Dear Kindergarten Friends,

I am so very excited to meet you and begin our school year together! My name is Ms. Mason and this will be my second year teaching kindergarten at Royle School. I have our classroom all set up and filled with fun supplies and activities for kindergarteners. Our classroom is just missing some decorations that you will be able to make. It's going to be lots of fun!

You will make new friends in kindergarten! We will learn many new and exciting things. We will read books and write each day. I'm looking forward to playing math games and learning about numbers. We also learn about interesting topics in science and social studies. Kindergarten is so much fun!

I am really looking forward to meeting you and your family. This school year is going to be fantastic! Enjoy the rest of your summer. See you on the first day!

Your teacher,

Ms. Mason ☺
