

Dear Kindergarten Friends,

I am so very excited to meet you and begin our school year together! My name is Miss Mazzella. This will be my first year teaching kindergarten at Royle School. I have our classroom all set up and filled with fun supplies and activities for kindergarteners. All that is missing is you, and some decorations that we will have fun making together.

You will make new friends in kindergarten! We will learn many new and exciting things as well. We will read books and write each day. I'm also looking forward to playing math games, and learning about numbers together. We learn about interesting topics in science and social studies too. Kindergarten is so much fun!

I am really looking forward to meeting you and your family. This school year is going to be fantastic! Enjoy the rest of your summer. See you on the first day of school!

Your teacher,

Miss Mazzella
