

August 2017

Dear Fifth Grader,

Hello! I'm Mrs. Rosen and I'll be your fifth grade teacher this year! I hope you're having a fun summer vacation. I can't wait to hear all about it. I really enjoyed my time off. My family and I enjoyed time at the pool, the beach, and lots of time with family and friends! We also vacationed in California and Long Island. It was a great summer, but I'm ready to come back to school.

I am really looking forward to meeting you and spending the year together. I have been in our classroom setting things up, and I must say it looks great.

This year in fifth grade I have so many great projects and activities planned for us. Are you getting excited for the first day of school? I am getting very excited!

If your parents purchased supplies through the PTO, then you are all set. If not, the list of supplies needed can be found on the Royle School website, under the PTO tab. Please bring the supplies in with you on the first day of school. Please try and limit items that are not on the list as there will not be enough space in your desk for them. I will provide you with subject folders, writing notebooks and other supplies that you will need to be organized and successful each day. In addition to the items attached, I also ask that you bring in an art smock (an old t-shirt works best)

I ask that everyone bring in a book on the first day. Not just any book, but one of your favorites. Whether it be a book you read this summer or an old favorite, it's up to you. We'll be discussing these books with our classmates during the first week.

We will have snack every afternoon in fifth grade. Please make sure to pack a healthy, peanut free snack daily. You can also pack a water bottle. We don't keep these on our desks, they'll stay in your backpack.

So, I hope you are ready for school to begin. Make sure you rest up for August 31st, that's our first day. It's your last year at Royle, we're going to make this one the best!

See you soon,

Mrs. Rosen
