

BACK TO SCHOOL

August 2017

Dear Boys and Girls,

Welcome to second grade! I hope you're ready for a great year. In second grade, you'll learn so many new and exciting things. I have lots of fun activities planned, especially for the first day of school!

I hope you're having a fun and relaxing summer. I am having a great summer. Together with my family, I traveled to Cape Cod in August. We spent our days playing at the beach, swimming, and jet skiing! We also spent some time in Vermont. The best part about Vermont was making s'mores at night under the bright stars! My favorite part of summer was just hanging out on our boat, fishing and tubing. I'm especially having a blast with my three sons, Daniel, Bennett and Peter. Daniel is thirteen years old. He's going to be an eighth grader this year. Bennett is 10, and is starting fifth grade. Peter is five years old, and he will be going to kindergarten! Having two older big brothers, Peter is quite a character! Wait until you hear some of my stories about Peter. Throughout all of my summer adventures, I've read lots of good books. I hope that you've been reading, too! I can't wait to hear all about your summer adventures.

I have been busy getting our classroom ready for the first day of school. You do not need to bring anything to school for the first day, other than sneakers and a healthy snack. Most families purchased the second grade supply package in the spring, and those supplies will be delivered to the classroom so they are ready for the first day. If you did not have a chance, no worries! You can find the supply list on the Royle School website under the PTO link.

I can't wait to meet you and start our fabulous year together.

See You Soon,

Mrs. Vetti
