Dentists in your plan network.

• You'll save money when you visit a dentist in your plan network because Anthem and the dentist have agreed on pricing for covered services. Dentists who are not in your

plan network have not agreed to pricing, and may bill you for the difference between what Anthem pays them and what the dentist usually charges.

• To find a dentist by name or location, go to anthem.com or call dental customer service at the number listed on the back of your ID card.
