* Public Comments are limited to three minutes per individual and are designed to allow community members to inform the Darien High School Cafeteria Building Committee of their opinions and/or concerns. Where appropriate, community members are also encouraged to reach out to the school administration during regular school hours. There should be no expectation for dialogue on such public comments to take place at a special public meeting, given that by law the Darien High School Cafeteria Building Committee may only discuss matters that are set forth on its agenda.
