# COMMUNICATION

In 2018 we continued to use the senior internship program website: [www.dhs-sip.org](http://www.dhs-sip.org)

There are five primary ways this benefited us:

1. Instant access to program forms and documents.
2. Useful reminders and program updates are streamlined through the site.
3. Easy access to the program deadlines.
4. Seamless communication between mentor teacher, site supervisor, and intern.
5. Data analysis is enhanced.
