

**Curriculum at a Glance**  
**COURSE: Mandarin 4 Honors**

Mandarin Chinese 4 Honors will continue a careful progression of skill development that spirals and repeats from one level to the next. Students will develop speaking and listening skills within a classroom that focuses on immersion in the language as much as possible. Student’s ability to function in a Chinese language environment will be of paramount importance in Mandarin Chinese IV Honors. The most important goal of this course will be to prepare students to function effectively in a Chinese language environment. The program's goal of Mandarin Chinese IV Honors in the Darien Public Schools are also aligned with the ACTFL national standards for teaching Chinese. Students will also gain knowledge and understanding of the cultures of the Chinese speaking world. Students will be able to demonstrate an understanding of the relationship between the practices and perspectives of the cultures of the Chinese speaking world. Students will also be able to demonstrate an understanding of the relationship between the products and perspectives of the cultures of the Chinese speaking world. Students will reinforce and further their knowledge of other disciplines through the study of Mandarin Chinese. Students will acquire information and recognize the distinctive viewpoints that are only available through the Chinese language and culture.
